**TEXAS ARMAMENT & TECHNOLOGY/AGUILA AMMUNITION ANNOUNCES
PARTNERSHIP WITH FRIENDS OF NRA**

CONROE, TEXAS – March 29, 2016 – Texas Armament & Technology (TxAT)/Aguila Ammunition is excited to announce its partnership with Friends of NRA where they will make rimfire ammunition available for Friends of NRA fundraising events that support the future of the shooting sports.

“Partnering with the NRA is an honor in itself. We are thrilled to be involved in supporting the shooting sports, as well as the mission of The NRA Foundation,” states Chris Sadler, Director of Operations for TxAT/Aguila Ammunition.

Since its inception in 1992, Friends of NRA has held more than 17,000 events with 3.2 million attending, raising over \$600 million dollars for The NRA Foundation. The availability of Aguila Ammunition at these events opens doors to an untapped market, and will solidify Aguila as a trusted premium product, made with high-quality standards, precision manufacturing and only the best components.

With the anticipation of large orders, John Domolky, Director of Sales says, “We are ready to help fulfill requests for all [Friends of NRA] events, and couldn’t be more excited.”

About Friends of NRA and The NRA Foundation

Friends of NRA is a grassroots fund-raising program that fosters community involvement to organize and, with help from NRA field staff, plan community events for firearms enthusiasts. All net proceeds from Friends of NRA events are allocated to The NRA Foundation, the leading charitable organization in support of the shooting sports. Through NRA Foundation grants for equipment, training materials, range improvements, and more, qualified local, state, and national programs receive aid to involve and inspire a new generation of competitive shooters. Learn more about Friends of NRA at www.friendsofnra.org, and The NRA Foundation at <http://www.nrafoundation.org/>.

About Aguila Ammunition

Aguila Ammunition, founded in 1961, is manufactured in Cuernavaca, Morelos, Mexico by Industrias Tecnos, S.A. de C.V. As one of the largest rimfire manufacturers in the world, Aquila utilizes cutting-edge technology to manufacture quality rimfire, centerfire and shotshell ammunition. Aguila offers a complete range of products for the self-defense, sport shooting, hunting, law enforcement and military markets. Texas Armament & Technology is the exclusive North American distributor for Aguila Ammunition.

About Texas Armament & Technology

Texas Armament & Technology (TxAT) is a veteran-owned business, and is the exclusive distributor of Aguila Ammunition in the U.S. and Canadian markets. TxAT's mission is to provide technical support and assist in selecting the best ammunition, equipment, and training for customer requirements – ranging from weapons to counterterrorism and national security. TxAT also provides training, consulting services and technical support for clients in the aerospace and defense industries.
