INAUGURAL AGUILA CUP SLATED FOR DECATUR, TX

CONROE, TEXAS – November 16th, 2017 – Texas Armament & Technology (TxAT) and Aguila Ammunition are excited to announce the inaugural Aguila Cup. The multidiscipline shooting sports tournament will take place at Fossil Pointe Sporting Grounds in Decatur, TX, which is conveniently located outside the Dallas/Fort Worth metro area. This marks the first year TxAT/Aguila Ammunition have hosted a tournament on U.S. soil.

For the past three years, TxAT/Aguila Ammunition have hosted the Copa Aguila in Mexico and the tournament has proven to be the largest sport-shooting event in all of Latin America. The three-day event consists of Sporting Clays, Five-Stand, 3-Gun and a recently added Rimfire category. While the Copa Aguila will continue in Guadalajara, Mexico, the Aguila Cup will be a separate event.

“After much success of the Copa Aguila in Guadalajara and Acapulco, we’re bringing the same event to the U.S. TxAT is a Texas-based company and we’re excited to host an event in our own backyard,” says Kristi Drawe, Director of Marketing for TxAT/Aguila Ammunition. “We welcome all shooters, as the Aguila Cup will feature a category for every shooting discipline and we look forward to having our friends and industry partners join us in our home state of Texas.”

The 2018 Aguila Cup will be held on June 14th – 17th. Shooting categories will include Sporting Clays, Five Stand, FITASC, 3-Gun, and Rimfire. Aguila is partnering with 3-Gun Nation and Rimfire Challenge to design the stages for the individual 3-gun and rimfire events. In addition, Wade Bowen will perform a private concert on Saturday evening, June 16th for registered shooters. Shooters will be eligible to purchase tickets for their families to the concert. A Texas-themed dinner will also be included.

Embassy Suites in Denton, TX will serve as the headquartered hotel for the event. Teams and individuals can register online at www.shootaguilacup.com. Sponsorship opportunities are also available and can be viewed on the event website or contact Janice Bartels for more information at jbartels@dburner.com.

About Fossil Pointe Sporting Grounds

Fossil Pointe Sporting Grounds is a 480-acre family owned and operated facility in landscape rich North Texas. The grounds are complimented by a 5000-sq. ft. well-appointed clubhouse and a

rifle/pistol pro-shop. Located just an hour away from the Dallas/Ft. Worth Airport it is most convenient to the DFW metroplex area. The range was established in 2008 with a focus on the shotgun enthusiast featuring 2 NSCA Sporting Clays courses, a Master's course, Trap, and Skeet. They soon expanded to a full-service range including a standard pistol and rifle range out to 200 yards. The facility also features long-distance steel targets from 250-800 yards. All courses are setup to show the natural beauty of the countryside while facilitating safe shooting. Fossil Pointe has classes for all levels of shooters as they passionately preserve and promote shooting sports of all disciplines with a particular focus for youth, safety, and education.

About Aguila Ammunition

Aguila Ammunition, founded in 1961, is manufactured in Cuernavaca, Morelos, Mexico by Industrias Tecnos, S.A. de C.V.
