AGUILA AMMO PRO-SHOOTER DERRICK MEIN NAMED 2017 NSCA NATIONAL CHAMPION

CONROE, TEXAS- November 1, 2017 –Aguila Ammunition pro-shooter, Derrick Mein is on a winning streak as he’s named Champion of the National Sporting Clays Association (NSCA) National Championship Tournament on Sunday, October 29th at the National Shooting Complex in San Antonio, TX.

Mein won the National title with a high overall score of 287 out of 300 on the main event. This victory comes just a month after Mein defended his title as Copa Aguila Champion for the third consecutive year.

“I always have a great time at the National,” says Mein. “It’s the industry’s largest event, and I have the pleasure of shooting with some of the best shooters in the world. I’ve been competing in the NSCA since I began shooting at the age of 8, so winning the National Championship title, achieving this goal surrounded by (industry) family and friends, is an absolute honor.”

“Derrick is a phenomenal shooter and all-around great person. He has an energy and focus about him when he’s behind his shotgun,” says Kristi Drawe, Director of Marketing for Aguila Ammunition. “We are so proud of him for this accomplishment. It is most definitely well-deserved.”

As part of the USA Sporting Clays team, Mein also holds the 2016 FITASC Federation Internationale de Tir Aux Sportives de Chasse) World Champion title, as well as national titles and Team USA honors competing in international trap and helice. His list of accomplishments includes winning over a dozen Junior Championships, being named Kansas State Champion 11 times, NSCA All-American 8 times, selected for many Gold Medal Teams and the Sydney, Australia World Cup Team, USHA Helice National Champion, Krieghoff Kup Champion, Copa Aguila Champion from 2015-2017, and first place at the Nad Al Sheba Desert Shooting Competition in Dubai to name a few.

Derrick is an NSCA certified instructor in Kansas. He currently shoots Kolar Max Lite Sporting 32” and Aguila Ammunition 12 gauge competition in 7.5 shot load and 8 shot load.
