CONROE, TEXAS – February 12th, 2018 – Texas Armament & Technology (TxAT) and Aguila Ammunition are proud to announce they are the recipients of the Sporting Classics Award of Excellence for Ammunition; a category created this year on behalf of Aguila.

The award was presented to Leon Brener, President of TxAT (the U.S. and Canadian distributor of Aguila Ammo) and Luis Baiza, President of Industrias Tecnos (manufacturer of Aguila Ammo) by Doug Painter, Editorial Advisor to Sporting Classics Magazine, at the 2018 SHOT Show in Las Vegas. "It's a great pleasure to present this award to Aguila, a company dedicated to making exceptional ammunition and serving the needs of its customers while also supporting the future of our sporting traditions," stated Painter.

"Sporting Classics was proud to present the first ever Award of Excellence for Ammunition to Aguila Ammunition," added magazine staff. "The editors of Sporting Classics were especially impressed by Aguila's wide array of ammunition, including shotshells, centerfire and rimfire cartridges, all designed and engineered for reliability and innovative performance. Aguila's entire product lineup is what this award is all about."

"For years, Sporting Classics has presented this prestigious award to companies who demonstrate excellence in the hunting category, but never one specifically for ammunition," remarked Leon Brener of TxAT/Aguila. "Our team is truly humbled at this notable recognition. We will continue to innovate, meet the demands of the market and uphold the honor of this award."
